SILOF PROJECTS

Silof Projects, is 100% black owned and managed company with level 1 BBBEE. We have offices in Edenvale (Gauteng), East London (Eastern Cape) and Cape Town (Western Cape). **Silof Projects** is a diversified entity with business interests across various sectors in both the private and public sectors. We have strategic partnerships with well established and credible organisations in the industry.

Silof Projects business model is based on delivering excellence and superior services/products for our clients by employing highly experienced and suitably qualified personnel to design, implement and manage solutions. Our operations are modelled on the concept of **total quality management** systems which requires constant innovation to ensure efficiency while maintain superior quality at lower costs for our clients.

Our management team is comprised of graduates in various disciplines including engineering, logistics and business administration with a wealth of experience in various sectors/projects. We are agile and strategically adaptive to the inherently cyclical nature of the industry and constantly changing industry compliance requirements.

SILOF

PROJECTS

Our mission

We are an output driven entity that places immense emphasis and adherence to quality, time and cost management. Our stringent evaluation process ensures that we partner with credible stakeholders to deliver quality services and products on time and within budget, while conforming with the clients specific requirements and applicable standards and laws.

Our Vision

Silof Projects aims to be the most sort after partner in procurement, logistics, engineering and business administration projects in both public and private sectors.

Our Values

- Achieve equality and fairness in all our operations
- Display integrity founded on honesty and ethical behaviour
- Develop and assist employees in attaining self-actualisation
- Zero tolerance to safety, health, environmental and quality incidents
