A Brief Story About The Company

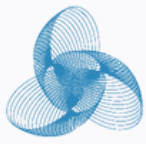

ABOUT US

Vutomi Technology and Enterprises (Pty) Ltd, trading as VTech, is a dynamic black-owned company founded with a vision to provide professional, high-impact infrastructure and facility development services across South Africa.

Specializing in multi-disciplinary projects, we offer plumbing, electrical work, custom furniture, playground installations, and sports field development. Our team comprises qualified professionals dedicated to delivering quality workmanship aligned with safety regulations and educational needs.

As part of our commitment to uplifting public education infrastructure, VTech is proposing its services to support the ongoing development at Noordwyk Primary School. We are confident in our ability to deliver a comprehensive, compliant, and community-focused solution.
